WELCOME TO A UNIQUE EXPERIENCE IN DINING. Hollywood Producer/Director Jay Weston who is noted for his Restaurant Newsletter has called the Dragon House "One of the best in the state". The Los Angeles Herald Examiner gave it Three Stars. Inland Empire Magazine called it "The best in the Inland Empire and Southern California" along with a variety of Inland Empire newspaper and television critics. The Dragon House is favored by its patrons, which include many Hollywood Stars and Celebrities, for its authentic Chinese dishes that are cooked in the traditional manner.

This menu is especially offered by your host, David Chang. All the dishes are made in unique sauces. This is one of the few restaurants with a menu designed especially for vegetable lovers. Some of these dishes are so artfully created one would surely think they are eating meat. A truly remarkable selection of dishes that must be tried to be properly appreciated.

"We have deliberately chosen some of the most delectable and authentic specialties of Mandarin and Szechuan Cuisine for your dining pleasure. Our Chefs and our staff welcome you to the Dragon House experience and hope you enjoy our cuisine. "Thank you & Hsieh-Hsieh!"
